## Description

In the Brixental Valley there are great locations for your company celebrations, teambuilding activities or incentive trips, as well as well-equipped seminar and conference rooms.

Combined with an original social program, your event is guaranteed to be a success. From the show dairy with tasting, to the tour through a distillery, to the mountain breakfast in a cozy alpine hut, as well as plenty of sporting challenges such as rafting or paragliding the Brixen Valley offers experiences that will make your event a memorable one.

In addition, the Brixental is ideal for a wide range of sporting, cultural and culinary teambuilding activities: golf courses, exciting GPS tours or alpaca yoga, baking bread together or introduction to Tyrolean cuisine, knödel workshops, herb hikes and dinner at sunset...

The Brixental is easy to reach by car, train and plane. It is located between three airports: Munich, Innsbruck and Salzburg.
