Description

In the Eder, business is certainly not "as usual". Between our cosy rooms you will find everything you need

you "usually" need it that way. And much more. Brainstorm, dine, visualize and feel good. Outside and in the middle of it, you can just have a good time as a team. Realize big events and celebrate even bigger visions. In the middle of the village. And right in the middle of it all, in daylight. Conference rooms, parlours and break-out rooms.

With space for up to 200 people. For every event. Pleasure enthusiasts, life visionaries and taste daredevils agree. Nowhere is it so open-minded, extraordinarily unexpected and deliciously seasoned as in the Hotel eder. Between traditional alpine roots and international cuisine. Between toque-level creations and one or two minimalist knick-knacks. The Dorfwirt of Maria Alm am Hochkönig promises genuine and familiar creations. And this has been the case since 1961.
