Description

urban soul meets the alps

mama thresl would like to be such a place for you.

Warm, cheeky and never serious. A domicile for active guests who love mountains and nature as much as socializing with friends. Who find it exciting when local craftsmanship meets modern natural materials.

And whose mouths water when traditional dishes, homemade tarte flambes, crispy salads, fine steaks and delicious burgers from the grill appear on their plates. Who want to gather strength after an outdoor experience in the small but fine wellness area on the roof and experience the magic of the Leoganger Steinberge.

You love the city and also the mountains?
mama thresl is happy to embrace you.

Special features & further information

Incentives, events, seminars, conferences and trainings

For incentives of all kinds, mama thresl's "think tank" is available in the basement as a professional multifunctional room, which is supplied with daylight through a half-height window front over the entire length and guarantees mountain views.
